

Helping Combat Veterans Pursue a Career in Law Enforcement

A blood smeared combat rifle laid on a table at the SureFire Corporation. People who are in its presence look upon it with awe and reverence. The rifle's symbolism of the ultimate sacrifice of our country's fighting force — a courageous son, daughter, father, mother, husband, wife, brother, sister, or friend — cannot be denied. This sentiment inspired the development of the Returning Combat Veterans Scholarship Program (RCVSP) at Golden West College (GWC).

The RCVSP is dedicated to all military personnel and empowers them to continue to serve their communities as law enforcement officers. Through this program, qualified combat veterans can attend the GWC police academy as a self-sponsored recruit with all expenses paid by this scholarship (except living expenses). SureFire, a sponsor of this program at the GWC police academy is committed to investing in higher education for combat veterans who separate from military service and choose to enter the field of law enforcement. GWC and SureFire believe strongly this investment in our veterans will yield countless benefits to our communities.

Presently, this scholarship program is a partnership between Golden West College, SureFire Corp., Newport Beach Exchange Club, KRC Range Corp and Leaders from the City of Huntington Beach.

We are currently seeking additional sponsorships. Please become a part of this admirable effort to show support for the troops who can come home to a chance to make a solid future for themselves and their loved ones. What a fitting way to thank them for their commitment to our country! **HB**

For more information, contact Capt. Bob Mosley (Ret.), Center Academies Coordinator at (714) 895-8374, via e-mail at bmosley@gwc.cccd.edu or visit us online at www.goldenwestcollege.edu/cjtc
