

Holiday Meals Made Simple

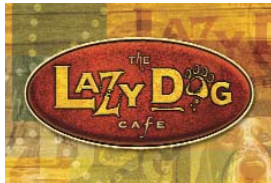

Tuna Town

Tuna Town offers a unique catering experience for your business or your home. Unlike most catering services, we look to bring a bit of our atmosphere to you as well as our great menu. We have multiple sushi chefs available, and some of our top servers to help spice up your special event! No matter how large or small, Tuna Town will design a great plan to suit your needs. Being in the business of sushi and teppanyaki grill cooking for many years, our suppliers fly in fish from places like Hawaii and LA that guarantees an exquisite freshness not matched in the area. A Tail Waggin' Holiday Gatherin'

Holidays can be hectic, but the Lazy Dog Café is here to help. Whether it's an office party or family gathering, our Party To-Go menu is perfect for groups of all sizes (orders should be

made 24 hours in advance for parties of 25 or more). Your favorite items will arrive in shareable portions, beautifully packaged and ready to serve. For more info, call (714) 500-1140 or visit www.lazydogcafe.com

The Beef Palace

Part of the dilemma of planning a holiday feast is finding the best quality meat for the main course, since this dish will serve as the centerpiece for the entire meal. But seasoned HB residents know that they need look no further than The Beef Palace (5895 Warner at Springdale) for the choicest cuts of beef, prime rib and poultry available anywhere in the region. Lines will literally be wrapped around the block of this 37-year-old operation during the height of the season, so customers will want to place their orders early since The Beef Palace invariably sells out of what many agree to be "the most sought-after prime rib in Southern California." For more info, call (714) 846-0044.
